

ANNOUNCEMENT No. 5/2025
Director of the Mineral and Energy Economy Research Institute,
Polish Academy of Sciences in Krakow/Poland
dated June 11, 2025

The Director of the Mineral and Energy Economy Research Institute of the Polish Academy of Sciences in Kraków announces a competition for the position of assistant professor in the field of mineral raw materials research at the Division of Mineral Policy.

Candidates should meet the requirements specified in Article 89, paragraph 3, of the Act on the Polish Academy of Sciences dated April 30, 2010, as amended.

Requirements:

- possession of the Ph.D. in Natural sciences field, in the discipline of Earth and related environmental sciences,
- authorship or co-authorship of published, peer-reviewed scientific papers,
- English or other conference language (German, French, Spanish, Russian, Italian) skills at a minimum B2 level,
- demonstrating aptitude for scientific work (academic achievements and involvement in research related to the competition topic, confirmed by a substantive opinion from the current supervisor).

An additional advantage will be:

- documented scientific achievements and involvement in research related to the field (mineral deposit geology, rock properties, mineral resource management), in the form of articles published in international or national scientific journals, conference presentations, and science communication activities,
- experience in scientific research – a minimum of two years of experience working in a laboratory in a technical or research-technical position,
- familiarity with computer graphics programs and software for spatial analysis of geological data,
- experience in organizing workshops and seminars for various stakeholder groups,
- experience in teaching,
- effective work organization, including online work,
- category B driving license.

Application documents:

1. Application for employment addressed to the Director of the Institute with a signed information clause (Annex 1).
2. CV.
3. Document confirming of obtaining a doctoral degree in Natural sciences field, in the discipline of Earth and related environmental sciences.
4. Certificate confirming proficiency in a foreign language as specified in the requirements.
5. List of published and ongoing works and projects.
6. Professional reference from the current supervisor, confirming achievements and engagement in projects related to the subject of the competition.
7. A declaration that the Institute of Mineral and Energy Economy, Polish Academy of Sciences (IGSMiE PAN), will be the primary place of employment (in the event of winning the competition).

8. Declaration of acceptance of the terms of the competition.

Additional information and dates:

1. Employment type – $\frac{1}{4}$ full-time.
2. Employment period – indefinite term starting **August 01, 2025**.
3. Applications should be sent to the Mineral and Energy Economy Research Institute, PAN, 31-261 Kraków, ul. J. Wybickiego 7A, with the envelope marked: **Competition-Announcement No. 5/2025**.
4. The deadline for submitting documents is **July 3, 2025**.
5. The competition results will be announced on **July 4, 2025**.
6. Informational materials regarding the functioning and activities of the Mineral and Energy Economy Research Institute of the Polish Academy of Sciences are available on the website: <https://min-pan.krakow.pl>.
7. Please note that the Mineral and Energy Economy Research Institute of the Polish Academy of Sciences provides the possibility to report legal violations through the "Procedure for Reporting Legal Violations and Taking Follow-up Actions," in accordance with the Act of 14 June 2024 on the Protection of Whistleblowers. The full text of the procedure is available on the Institute's Public Information Bulletin (BIP) website.
8. The Mineral and Energy Economy Research Institute of the Polish Academy of Sciences reserves the right to close the competition without selecting a candidate.
9. Failure to inform a candidate about the competition results is equivalent to rejecting the offer.
10. The Institute does not provide housing.

Information clause

In accordance with the Act of May 10, 2018 on the protection of personal data (Journal of Laws of 2018, item 1000) and in accordance with the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46 / EC (GDPR), we would like to inform you that:

1. The administrator of your data contained in the application documents is the Mineral and Energy Economy Research Institute, Polish Academy of Sciences in Krakow/Poland with its registered office at ul. J. Wybickiego 7A, 31-261 Krakow, <https://min-pan.krakow.pl/instytut/>.
2. The administrator has appointed a Personal Data Protection Inspector who can be contacted in all matters relating to the processing of personal data by the Institute and the exercise of rights related to data processing by e-mail at the following address: inspektorODO@min-pan.krakow.pl.
3. Your personal data will be processed only for the purpose of conducting a competition for the position of an assistant professor in the DIVISION OF MINERAL POLICY – the legal basis for the processing of your personal data is art. 6 sec. 1 letter c of the GDPR.
4. You have the right to access your personal data and the right to rectify it, the right to request deletion, processing restrictions, the right to transfer data, the right to object to the processing of data, the right to withdraw consent (if granted) at any time without giving any reason, without affecting the lawfulness of the processing that was carried out on the basis of consent before its withdrawal.
5. Providing your personal data is voluntary, but failure to do so makes it impossible for you to consider your application.
6. From the moment of obtaining your personal data will be processed for the period necessary to achieve the purpose indicated in point. 3, and thereafter for a specified period in the provisions of the Act of July 14, 1983 on the national archival resource and archives (Journal of Laws of 2019, item 553).
7. Your personal data will not be shared with other entities (administrators), except for entities authorized under the law. The administrator will not transfer your data outside the European Economic Area.
8. The data administrator does not profile you.
9. You have the right to file a complaint with the supervisory body – the President of the Personal Data Protection Office (Warsaw, ul. Stawki 2), if you feel that the processing of your personal data violates the provisions of the GDPR.

I confirm that I have read the above information regarding the processing of the personal data provided by the Administrator and I declare that I consent to the processing of the personal data provided as a person authorized to give such consent.
